Guard Booth with Restroom
Exterior Restroom Entry Door

The sizes shown above are based on the 2009 ICC A117.1 Standards.

Handicap design requirements can and will vary based on adopted standards.

Please consult with a Mardan Sales Representative to discuss your locations design requirements.

Example of requirements that can effect the buildings design:

2009 ICC A117.1 requires a 60" Circular Turning Space.
2017 ICC A117.1 Requires a 67" Circular Turning Space.
